Promotional Video	<p>Promotional Video</p> <p>Rod Simmonds attended our meeting to offer his services in preparing promotional videos. Rod generously offered to donate a considerable amount of his time and use of his equipment to prepare the promotional videos.</p> <p>Some of the ideas discussed:</p> <p>Scene showing lofts, eggs, squabs, pigeon release and family, Pigeon(s) returning home to a back yard waiting for birds to arrive. Picture of a pigeon with price sold for. Show transporter and hampering at club. Show mixed racing age groups, advertising pigeon racing as a family sport. Show diversity of cultures, both genders.</p> <p>Rod suggested members forward him any video footage they may take or have, please do it in “landscape” mode when filming on a phone.</p> <p>1 x 60 second advert where clubs/federations/associations can have a tag to their contact details.</p> <p>1 x 5 minute informational.</p> <p>Advertising: If advertising on Facebook the board may have to pay to reach particular demographics.</p>	Action: Rod to prepare some initial videos for review by ANRPB.
Victorian Legislation	<p>No action at Sept Meeting, awaiting return of Colin Walker from overseas.</p> <p>Feedback was that Colin believes ANRPB should be the body that provide feedback based on information provided by Dr. Colin Walker. Ideally racing pigeons should be classed as a separate topic rather than be grouped under Poultry in the legislation.</p> <p>Colin, Vince and Marc are in discussion with Grant Paterson.</p> <p>Code of Practice – future plan to check each states code of practice.</p>	Code of Practice: Ongoing working document including future concepts to address feedback. Colin Walker currently overseas.
Code of Practice – Loading Density	<p>Land Transport of Poultry and Pigeons, current guidelines state that the loading capacity for Adult Pigeons is 450cm²/bird which is 22 birds per m². This guideline is based on Utility Pigeons such as Carneaus and Runts. Whereas Poultry up to 1.6kg is allowed 40 birds per m². Leo Turley will liaise with Dr Colin Walker and Charles Hider to see if we can get a special ruling suitable for “race pigeons”.</p>	Action: Leo Turley
FCI	<p>Stephen awaiting annual International meeting outcome.</p> <p>Vince asked Stephen to follow up that our overseas contacts that are going to support our application are ready.</p>	Action: Stephen Shears,
Government recognition / Sports Australia.	<p>Vince Pedavoli advised collation of information.</p> <p>Vince Pedavoli to amend letter to forward to state parliament members combining information from Greg Kakoschke and Stephen Shears to be incorporated for a response.</p>	Action: Vince Pedavoli to compose Letter Action: Paul Gibbs to send Frank Depasquale an email to put together a

	<p>Vince Pedavoli received email from Tony Davis Bird Keepers Association of Australia.</p>	<p>letter regarding human involvement in pigeon racing.</p> <p>Action : Ongoing</p>
<p>Emmdale Grand National</p>	<p>The board agreed for the race to be held on Saturday 30th September 2023.</p> <p>QLD - Peter Flack has resigned and indicated that there is not much interest being shown in the QLD leg.</p> <p>NSW – Vince and Stephen indicated that there did not appear to be enough birds for a Emmdale race, it was therefore proposed to hold the race from Port Welshpool.</p> <p>SA – SAHPA is proceeding with Emmdale 30/09/23, Russell has made arrangements for flyers from Port Pirie and Port Augusta to meet the SAHPA transporter enroute to Emmdale. SA will allocate \$100 of the \$1000 sponsorship provided by ANRPB to the best out of boundary result, they will also be eligible for the overall prizes. The full \$10/bird nomination will go towards prizemoney as the freight component is already prepaid in SAHPA and they agreed to provide free freight for out of boundary flyers.</p> <p>VIC – Tony indicated that Vic organisations did not wish to charge the \$10 nomination to compete in the ANRPB national as they are already paying nomination fees. It was agreed that the ANRPB will still donate \$1000 towards the Cobar National being held in Victoria and that it would be allocated as \$250 to the winner of each Organisation (VHA, VRPU, WPF and GMPF)</p> <p>WA - ANRPB sponsorship of \$1000 was paid to Leo Turley and was shared on a per capita basis between both federations at the rate of \$275 to W/Coast and PRF \$725.</p> <p>The West Coast National was held on 5th August from Carbla 700km (Leo managed to score a 4th) there were 65 birds in the race over 700km and they made it after a 10 ½ hour fly, (Leo timed in after dark), race won by Dom Breen WC Secretary. Dom sent a note of appreciation to the ANRPB and sponsors.</p> <p>The PRF conducted their (ANRPB) national from Nerren Nerren 540km and birds were home well on the day and result sheets are attached (Leo scored a 3rd in that one too). There were 52 participants and 226 birds with 44 clocks returned. Bunbury and Busselton participated too, but it seems something happened between Perth and there as they failed to get birds on the day (there was ample time).</p>	<p>Action: Ongoing.</p> <p>Vince Pedavoli following up with sponsorship opportunities with thanks to Landmark Square Development and San Remo Lofts. \$1000 to be allocated to each state.</p> <p>Action: No further action at this time, ongoing promotion of the race for 2024 to host an event that is inclusive of both federations and promotes unity and harmony.</p>

	<p>2024 – At previous meeting Russell Somerville suggested that the ANRPB approach Victoria to release from Cobar to create a national race point for 2024 to include all states QLD, NSW, VICT, SA. However further discussion to follow. Tony Price indicated that the Vic National in 2024 is planned for Dubbo.</p>

Website - Board Member details.	Gavin has sent a request to Len Vanderlinde to update the website, add some photos for new Board Members, add Link to Victorian Convention. Update website to reflect donations made to Legacy, latest National Race Flyer. Note: Gavin to also ask Len to update website to reflect contact details for each of the Board members.	Action: Gavin to get contact details updated.

<p>Agenda item. – Protection of pigeons.</p>	<p>Paul Gibb tabled the following recommendation As we are trying to have Pigeon Racing recognized as a sport with little success at the present time, I would like to recommend that a formal application be made to the Federal Government to have Racing Pigeons protected by a Federal Government Law as it was during the period up to the end of WW2. Such a law would offer fanciers protection from State and Local Government laws and regulations. For those that subscribe to the ARPJ magazine there is an interesting article in this month's issue that I wrote that I thought may be of use if we were to make an approach to the Federal Government, albeit that changes would have to be made.</p>	<p>Action: Paul to source more information on the previous law protecting pigeons.</p>
